Dear Community Friend,

We are happy to inform you that plans are set for our 10th annual *Under the Lights* soccer games. This year both the girls and boys Babylon High School Varsity Soccer Teams will be playing!

We are presently fundraising for raffle prizes and ads in our Thanks & Cheer Journal. The proceeds of this event will support BHS student scholarships given in Randy Zwerlein's memory and future night games in celebrations of education and community spirit! We hope you will consider giving towards our donation program.

Please take a moment to review the enclosed donation form and feel free to contact any committee member.

Sincerely,

Randy Zwerlein *Under the Lights* Committee 2011
